FRANCIACORTA

FRANCIACORTA SALVÀDEK EXTRA BRUT 2016

Salvàdek is made in the best vintages only from carefully selected grapes from the oldest and best exposed vineyards on the estate. It is made from

95% Chardonnay grapes and 5% reserve wine. The must is fermented partly in steel tanks and partly in oak barrels. Maturation on the lees lasts for over 40 months. This procedure produces a Franciacorta with a strong personality. To emphasise the biting character it has been called Salvàdek, brescian dialect term meaning 'wild'.

ORGANOLEPTIC CHARACTERISTICS

Color: bright golden yellow, fine and persistent bubble.

Nosefeel: notes of white peach, lily of the valley, and shades of hawthorn.

Mouthfeel: acid-saline sensations with a closing of coquillage notes.
